**Step 1 Style** - Basic steel powder coated, standard or top mount. Stainless steel standard, top mount, or glass (3/8-1/2" glass).

### Steel PC (6001)

### Stainless Steel (6005)

Std Mount  Top Mount

Std Mount  Top Mount  Glass Door

**Step 2 COLOR** - Powder Coated finish for lasting durability. Finish is not plated and not recommended or warranted for exterior use.

#### Standard

For Steel PC 6001 series only.

#### Upgrade

Silver (1)  Black (6)

Rustic Brown(4)  Arch Bronze (8)

#### Designer

PC Chrome (D)  Rocket White (D)  Regal Red (D)  Blue Ribbon (D)  Silver Vein (D)  Copper Vein (D)

**Step 3 DOOR THICKNESS** - Each hardware pack is packed to include the door bolts for the roller hangers and the track to wall mounting hardware based on the thickness of the door.

1-3/8"  1-3/4"  2-1/4"  other  \_\_\_\_\_

**Step 4 Track Length** - Length of track is based on the width of your door times 2 less 1/2" to allow for overlap. Standard sizes are listed, but special lengths under 8' are available. 8' is the maximum due to shipping restrictions and powder oven restraints. Pairs of bi-parting doors require no addition hardware only two track and two hardware packs, If you need longer than 8' on a single run add a connecting plate and wall mounting kit per additional track.

4'  5'  6'  7'  8'  Custom (CCT)  \_\_\_\_\_
