PLEASE NOTE:
- Due to variations in printers and display screens, all color representations above are approximate.
- Color sample cards are available. Request sample cards from a retail dealer or a Goldberg Brothers sales representative.
- Raw steel does not have a protective coating. Rusting will occur.
- PC Chrome is a powder coat finish with a glossy, chrome-like appearance. It is not chrome plating.
- Steel components used with Matte Black Texture and Bronze Texture may have minor surface blemishes acquired during the manufacturing process. These superficial variations will be hidden by the powder coating and do not affect product performance.
- Product lines not listed above may have different color options than the samples shown.
