

# Single-Door & Biparting Pair System Layouts

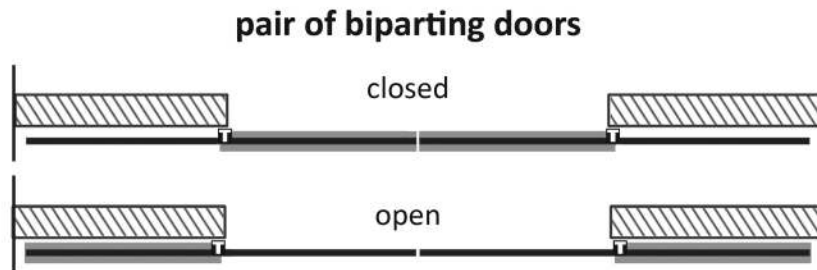

These basic layouts are compatible with Goldberg Brothers Standard Series, MP/CP Series, Stainless Steel Series, and Hidden Roller Series barn door hardware. Similar layouts are also possible with Shutter Series hardware. This document provides general information. For more specific details and recommendations, see the sizing tables on the "Installation" page at GoldbergBarnTrack.com

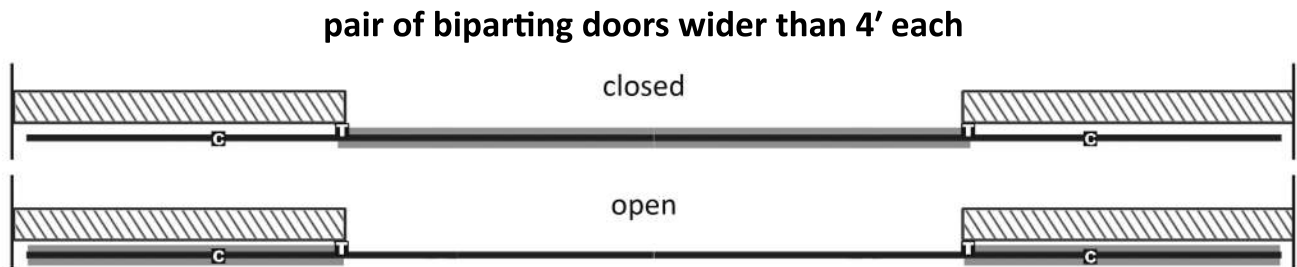

1 barn door hardware set, 1 track = 2× the door width - ½"

1 barn door hardware set, 1 to 3 tracks = 2× the door width - ½" or -1", track connecting plate(s), extra wall mount kit(s)

2 barn door hardware sets, 2 tracks each = 2× one door width (no connecting plate needed)

2 barn door hardware sets, 2 or 3 tracks with each pair or trio = 2× one door width - ½", track connecting plate(s), extra wall mount kit(s)
