**Goldberg Brothers Barn Door Track and Hardware sets come with a one-year manufacturer’s warranty for defective parts under normal installation and use. Warranty is subject to repair or replacement of defective components at manufacturer’s discretion and does not include installation costs. With the exception of our stainless steel products, Goldberg Brothers does not warrant any products installed and used outdoors or where they are exposed to weather, running water or water condensation. Under these conditions, rust and other damage will naturally occur. This warranty does not include loss of defects caused by elements outside the control of Goldberg Brothers, Inc., such as natural disasters, weather, fire, water leakage, abuse, improper installation, or anything else deemed out of the control of Goldberg Brothers, Inc.**

**Included Hardware**

- Privacy latch & mount (1)
- Dust box (1)
- Strike plate (1)
- Wood screws (4)

**Install Scenarios**

- **When door and track are mounted to the wall on the outside of the room, the dust box and latch mount in the door stile, and the strike plate mounts on the face of the door jam.**

- **When the door and track are mounted to the wall on the inside of the room, the dust box and latch mount in the door stile, and the strike plate mounts on the edge of the door.**

**1 - Create a mortise for the dust box with the following dimensions:**

\[
\frac{3}{8 \text{"}} \times 2\frac{3}{8} \text{"} \times \frac{1}{2} \text{"}
\]

Proceed to insert the dust box in to the newly created mortise.

**2 - Place the privacy latch mount over the dust box and use the provided wood screws attach to the door or wall.**

**3 - Using the remaining wood screws, attach the strike plate to the designated surface so that it is positioned as shown.**

**- TO LOCK -**

Slide the door closed and push on the bottom of the latch so that it rotates out to the locked position as shown.
