

GOLDBERG BROTHERS Advanced Multi-Panel Stacking Layouts

for medium-duty Barnfold® MD folding barn door hardware

GOLDBERGBROTHERS.COM

In addition to the basic 2-door configuration and the 4-door biparting configuration, original medium-duty Barnfold® MD folding barn door hardware can be installed with advanced multi-panel stacking layouts to cover wider openings. The layouts below can be installed with door panels up to 24 inches wide. Tracks longer than 48 inches can be custom-cut at the Goldberg Brothers factory, and may require additional mounting hardware. All layouts illustrated are reversible.

4 doors to one side

6 doors to one side

6 doors, biparting (2+4 or 4+2)

8 doors, biparting (2+6 or 6+2)

8 doors, biparting (4+4)

10 doors, biparting (4+6 or 6+4)

12 doors, biparting (6+6)

required components:
