

GOLDBERG BROTHERS

HOUSE NUMBER SIGNS

Goldberg Brothers house number signs are an attractive, uniform way to identify addresses in tract housing developments, apartment complexes, and more. Large digits and contrasting base plates are legible in a wide range of lighting conditions. And rust-resistant materials stand up to weather in any climate.

01234
56789

- 20"×7" aluminum base plate
- Stainless steel mounting screws
- 5/8" tall aluminum characters meet most safety standards
- Three powder coat color options: Matte Black, Silver Metallic, and Bronze Texture

Choose up to five digits and a base plate, then assemble it yourself. Or tell us what you want and we will assemble it for you.

Digits are raised off the surface of the base plate for a bold appearance.

Base plates are pre-punched for centered, left-justified, or right-justified numbers.

Signs that include letters or other characters are available by special order.

Base plates are also available in vertical format for 3, 4, and 5-digit numbers.
