FILM REEL WINE RACKS

Hollywood & Vine

Classic movies and vintage wines always seem to get better with age. Combine your love of both with a Goldberg Brothers film reel wine rack.

Each of these attractive and functional conversation pieces begins as two sides of a genuine Goldberg Brothers 35mm cast aluminum film reel, just like the reels we have been making for movie studios and theaters for nearly a century. We add a wide center core and base for stability. Then we give it a powder coat finish or dazzling 24 karat gold plating.

What wine do you pair with popcorn?
