Visit GOLDBERGBROTHERS.COM for additional information and full installation instructions for most products.

Put your barn doors on the right track with the quality and convenience of Goldberg Brothers barn door hardware. Our award-winning products help make efficient use of any indoor living or working space. Our rustic, yet elegant, industrial design provides a bold focal point to any décor.

The Standard Series is our flagship line of barn door hardware products, appropriate for use with doors in most popular sizes. Standard Series hangers are equipped with durable steel rollers, or you can order silent rollers as a factory-installed option. Hardware, hangers, and track are available in raw steel or 16 different colors. All major steel components are made with up to 90% recycled materials.

Goldberg Brothers products have been proudly made in USA since 1897. Our commitment to quality, craftsmanship and value is built into everything we do.

STANDARD SERIES: ACCENT TRIMS

Customize your Goldberg Brothers Standard Series J strap roller hangers with a pair of decorative accent trims. These fun accessories add your personal style to our barn door hardware. With dozens of designs available, you can even swap them out for different holidays and seasons. They are sold in either themed sets or identical pairs and are available in raw steel and all sixteen of our standard powder coat colors.

To install, simply remove the nuts and washers from the front of your installed roller hangers, slip the accent trims over the bolts, replace the washers and refasten the nuts.

dustbox mortise PL = 2¹/₈" x ⁷/₈" x ¹/₂"

recessed box

Flush Pulls

Privacy Latch for biparting doors

6001PLP-*
includes four mounting screws

Close doors and mount components with screwdriver while latch is in closed position.

WARRANTY

LIMITED LIFETIME MANUFACTURER'S WARRANTY

Goldberg Brothers warrants the functionality of its barn door hardware sets and tracks with a limited lifetime manufacturer's warranty for defective parts under normal installation and use. Warranty is subject to repair or replacement of defective components at manufacturer's discretion and does not include installation costs.

This warranty does not apply to the cosmetic condition of any products or components. Goldberg Brothers does not warrant against the loss of finish at points where the rollers are in contact with the track. Goldberg Brothers barn door hardware is sold as a rustic finished hardware and may develop scratches or other signs of wear during manufacturing or normal installation and use. Further, Goldberg Brothers does not warrant against any cosmetic imperfections in the steel parts that may be seen through the finish.

Certain accessories including but not limited to felt strips, rubber bumper bands, pair linking cords, and Soft Stop motion buffer mechanisms have finite expected lifetimes due to wear and loss of tension or resilience during normal use over an extended period. Except for manufacturing defects that become apparent within 1 year of purchase, these accessories are not covered under this limited lifetime warranty. Replacement accessories may be purchased as needed from Goldberg Brothers retailers.

Except for stainless steel components, Goldberg Brothers barn door hardware products are not warranted against rust. Some rusting is possible on any raw steel or powder coated steel hardware installed outdoors or anywhere else that it may be exposed to high humidity, rain, snow, or running water.

This warranty does not include loss or defects caused by elements outside the control of Goldberg Brothers, Inc., such as natural disasters, weather, fire, water leakage, abuse, improper installation, or anything else deemed out of the control of Goldberg Brothers, Inc.

GOLDBERG BROTHERS
BARN DOOR HARDWARE

STANDARD SERIES HARDWARE COLORS

Products with SKUs that end with a dash and asterisk -* are available in multiple colors.

Replace the asterisk * with the desired color code.

ECONOMY COLORS			STANDARD COLORS			UPGRADE COLORS	
							
RAW STEEL (not coated)	MATTE BLACK TEXTURE	BRONZE TEXTURE	BLACK	SILVER METALLIC	ARCH BRONZE	RUSTIC BROWN	JACOB'S GOLD
Color code "0"	Color code "MB"	Color code "BZ"	Color code "6"	Color code "1"	Color code "8"	Color code "4"	Color code "G"

DESIGNER COLORS

								
PC CHROME	REGAL RED	ROCKET WHITE	BLUE RIBBON	FLINT GRAY TEXTURE	DARK GRAY TEXTURE	WHITE BRONZE TEXTURE	SILVER VEIN	COPPER VEIN

Use color code "D" and write the name of the designer color on the order form.

PLEASE NOTE:

- Due to variations in printers and display screens, all color representations above are approximate. Color sample cards are available. Ask your Goldberg Brothers sales representative for details.
- Raw steel does not have a protective coating. Rusting will occur.
- PC Chrome is a powder coat finish with a glossy, chrome-like appearance. It is not chrome plating.
- Steel components used with Matte Black Texture and Bronze Texture may have minor surface blemishes acquired during the manufacturing process. These superficial variations will be hidden by the powder coating and do not affect product performance.
